**Bob DeMatteis, Andy Gibbs, Michael Neustel : The Patent Writer: How to Write Successful Patent Applications (Patents in Commerce)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Patent Writer: How to Write Successful Patent Applications (Patents in Commerce):

If you are an inventor or product developer, its a huge mistake to try to patent an invention yourselfunless you have a clear understanding of good patent writing. The Patent Writer explains in detail how to write effective patent applications. In simple laymans terms, the authors reveal pertinent patent laws and facts, discuss superior word usage, and explore the methodologies required to ensure that your patents cannot be exploited by others. The Patent Writer

takes the mystery out of writing patents.
