Joy Butler : The Permission Seeker's Guide Through the Legal Jungle: Clearing Copyrights, Trademarks and Other Rights for Entertainment and Media Productions before purchasing it in order to gage whether or not it

would be worth my time, and all praised *The Permission Seeker's Guide Through the Legal Jungle: Clearing Copyrights, Trademarks and Other Rights for Entertainment and Media Productions*:

0 of 0 people found the following review helpful. A go to reference. By Phil Hurwitz An excellent reference source.. Concepts are explained clearly and concisely. 5 of 5 people found the following review helpful. **CREATIVITY AND COPYRIGHTS** By Dorothy Weiss Publishers, Writers, Visual Artists, Musicians, Film, TV, Website Producers, online entrepreneurs, and anyone interested in protecting themselves from infringing on the copyrighted material or trademarks of others, - may find this well-written book helpful. The author's analysis and checklists offer ways to minimize infringement risks in media productions. The rights clearance process is explained. A timely book. Recommended reading for beginning to learn about how to get permission to use specific materials. Some basic relevant laws are included. 0 of 0 people found the following review helpful. *The permission seeker's guide through the legal jungle* By k gruhn This is a very informative book that is simply written for the writer that is involved in the media business. It give examples in all areas of copyright and trademark that backs up the legal explanation. I highly recommend this product for anyone in the media business that is seeking a copyright, trade mark, or legal release information. The author "knows her stuff!" Kathryn Thorson Gruhn, Author of the My Baby Compass Series

A resource for media producers who don't want to be sued! Clearing rights means keeping material likely to spark legal action out of your production. Yet, knowing which materials may permissibly be used is a constant challenge. This book offers detailed guidance for seeking permission and clearing rights to use quotes, music, art, names, film clips, and other protected materials.

From the Author *The Permission Seeker's Guide Through the Legal Jungle* grew out of seminars and workshops I've given over the last several years. The book answers many questions I get from the producers of film, books, websites, and other creative people who come into my office. About the Author Joy R. Butler is an attorney who regularly assists entertainment and media producers with rights clearance projects. She is a graduate of Harvard Law School.
