Kimberly Adams Colgate : The Pet Plan and Pet Trust Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised The Pet Plan and Pet Trust Guide:

2 of 2 people found the following review helpful. My lawyer who specializes in trusts and wills recommended this bookBy lizMy lawyer who specializes in trusts and wills recommended this book. At first I thought it rather simplistic, then realized it covered all I needed to think about. I have now set up a trust account with my bank for my dogs, selected the trustee, and now, no matter if I am incapacitated or dead, my guys will have immediate money for food and care as will the boarding lady until they are adopted. I am elderly with a few health problems and wanted to make sure my three little guys didn't end up being pass-arounds, a horrible fate for a grief-stricken dog. I've fostered them and know.1 of 2 people found the following review helpful. great book for pet loversBy Kthis helps you realize how much cash to set aside for the best care of your pets after you are gone, and the legal stuff. i recommend it to all my pet lover friends.1 of 2 people found the following review helpful. The Pet Plan and Pet Trust GuideBy Susan BoydLoved this book! It was very practical and well presented. It made the process doable. It presented information in a concise and readable format.

The Pet Plan and Pet Trust Guide is an illustrated roadmap to creating a short-term emergency plan for your pet if you are gone for a day a week or forever. The reader is guided through the legal process by a lawyer incorporating the newest and latest laws to secure and assure your pets future wellbeing and the owners surety that their pet will be well taken care of.

From the Inside FlapA guide to setting up a Pet Plan and a Pet Trust if you are gone for a day a week or foreverAbout the AuthorKimberly Adams Colgate brings 30 years of experience as a scholar, an author and a practicing attorney to teach you how to create a legal plan for your pets.
