Sandra Clark : The Plays of Beaumont and Fletcher before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Plays of Beaumont and Fletcher:

This is an analysis of sexual themes in the plays of Beaumont and Fletcher, both in the context of the Jacobean theatre and in the light of modern readings of sexuality and gender during the English Renaissance. Sandra Clark challenges commonly-held perceptions of Beaumont and Fletcher's work. The book is intended for undergraduate and graduate

courses on Renaissance literature, Elizabethan and Jacobean drama, tragicomedy, gender and genre in the Renaissance.
