Christen Civiletto Carey Esq., Kristen David Adams : The Practice of Law School: Getting In and Making the Most of Your Legal Education before purchasing it in order to gage whether or not it would be worth my time, and all praised The Practice of Law School: Getting In and Making the Most of Your Legal Education:

0 of 2 people found the following review helpful. Great read!By S. McKaigThis book was a recommended read by my law school prior to beginning my first semester. The Practice of Law School was definitely worth reading. It explained life as a law student and what to expect so you are not surprised or overwhelmed. A highly recommended book!

This handbook for aspiring lawyers coaches them to make the most of law school by taking charge of their education and burgeoning careers early on. It provides current and future law students with invaluable information about the law

school application process, financing law school, selecting classes, evaluating study groups, developing effective exam-taking strategies, choosing extracurricular activities and summer jobs, preparing for the bar exam, and balancing school with family life. Demonstrated are the ways in which students can begin to think like practicing lawyers and attain experience in law school that is relevant, practical, and essential to practicing law in the real world.

About the Author Christen Civileto Carey, Esq., is formerly special counsel with Duane Morris L.L.P., a frequent lecturer on professional development and mentoring issues as they pertain to law students, and the author of *Full Disclosure: The New Lawyer's Must-Read Career Guide*.
