Reader in English Law and Fellow and Senior Tutor Graham Virgo : The Principles of Equity Trusts before purchasing it in order to gage whether or not it would be worth my time, and all praised The Principles of Equity Trusts:

The Principle of Equity and Trusts offers students a new approach to this dynamic area of law. from previous edition: "It is beautifully written and has some wonderful ideas of just explaining equity and trusts in plain English." --Amanda Taylor, The University of Westminster "A book on principles should aim for a lucid and clear exposition of the law. I think Virgo's text does just that in a way that gives the subject a real contemporary flavour." --Dr Luke Butler, The University of Bristol "It is a superbly written book. It is clear and concise, it does not sacrifice detail, and it does not reflect an attempt to dumb down. It looks and feels like a law textbook should." --Dr Tim Sinnamon, The University of Westminster
