Ann L. Bateson, Matthew Downs, Christina L. Kunz, Deborah A. Schmedemann : The Process of Legal Research before purchasing it in order to gage whether or not it would be worth my time, and all praised The Process of Legal Research:

13 of 14 people found the following review helpful. Great book for basic legal researchBy Jeanette CogelowThis book explains to the first year law student how to go about legal research in the library and on the internet. It has practice exercises in the back of the book to facilitate the learning process. It is a quick read on all the main sources of legal research and general legal writing. It breaks down the elements of research into small, easy to manage parts that don't make you feel totally overwhelmed during your first research paper. I think it is a great tool for the first year law student.

Book by Bateson, Ann L., Downs, Matthew, Kunz, Christina L., Schmedemann, Deborah A.
