Ms. Camille Carter : The Proposal to Ever After: A Guide to Marriage and Community Property Laws in L before purchasing it in order to gage whether or not it would be worth my time, and all praised The Proposal to Ever After: A Guide to Marriage and Community Property Laws in L:

1 of 1 people found the following review helpful. What a great book!!By Molly VigourWhat a brilliant idea to write a conversational style, very accessible book about marriage in Louisiana. I heard someone say once that many women

are "a divorce away from poverty." It is so important for women to understand the financial implications of marriage and divorce in Louisiana. Bravo, Camille Carter!

Marriage is more than saying "I do." Knowing what you are getting into (or out of) can really help alleviate the stress of not knowing. This guide will provide you with the language you are looking for when communicating with your partner or your attorney. Legalese is broken down into everyday language. The text begins with a brief introduction to the history of marriage law. Then it goes through the ins and outs of the proposal phase. After that, it discusses the actual marriage ceremony requirements. There is lengthy discussion on the Community and Separate Property Legal Regimes and management of that property. Finally, it introduces you to prenuptial agreements, succession laws, and more. For legal information on Louisiana marriage laws, this guide is for you.
