**Dwight Bickel : The Real Truth About Living Trusts** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Real Truth About Living Trusts:

An expert in estate planning clears up common misconceptions about living trusts, in an easy-to-understand style. You will learn that all living trusts are not the same, and you will discover how to select the right kind of living trust for

you and your family. You will understand the current estate tax laws, and how to use special tax planning trusts and a life insurance trust to save your family thousands of dollars in death taxes. The book alerts you to the severe and often surprising income tax burdens which your family may face when your IRA or Qualified Retirement Account is liquidated, and shows you how to minimize those problems. You'll also learn about costly estate planning mistakes people commonly make, and how to avoid them!
