From Ashgate Pub Ltd : The Regulation of Assisted Reproductive Technology before purchasing it in order to gage whether or not it would be worth my time, and all praised The Regulation of Assisted Reproductive Technology:

This collection of papers examines the regulatory framework as it applies to assisted reproduction technology in a number of jurisdictions including the UK and other European countries, the USA, Australia, Canada and New Zealand

and an overview of the situation in some Asian countries. Contributors consider a wide range of issues relating to human rights, access, genetic screening and what constitutes the family.
