By Diana L Just a little too outdated.
1 of 1 people found the following review helpful. Too old
By Bob C Too old to be useful. My own fault for not looking closer prior to purchase. Need more current edition now

The book begins with a look at the provisions of the U.S. Constitution that apply to creative people, and it then examines the major legal areas of special concern to those people: copyright; contracts; libel, privacy, and other claims of injury; obscenity; and business and tax matters.
