Holly Cullen : The Role of International Law in the Elimination of Child Labor (Procedural Aspects of International Law Monograph) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Role of International Law in the Elimination of Child Labor (Procedural Aspects of International Law

Monograph):

The Role of International Law in the Elimination of Child Labor offers an indispensable contribution to current debates on child labor. It addresses a broad range of subdisciplines, analyzing child labor in the context of social, economic, and cultural issues. The first part of the book traces the development of contemporary law relating to child labor, specifically addressing child slavery, child sexual exploitation, and the use of child soldiers. Part II is devoted to observance and enforcement, discussing state and private reporting mechanisms, complaint procedures, and sanctions. The book is the 28th volume in the Procedural Aspects of International Law (PAIL) Monograph Series.

About the Author Holly Cullen, BCL, LLB, LLM, is a Reader in the Department of Law at Durham University in England. Ms. Cullen's research focuses on European and international human rights law, with a particular emphasis on the rights of the child.
