**Hilary Hiram : The Scots Law of Succession: Second Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Scots Law of Succession: Second Edition:

The Scots Law of Succession offers a straightforward approach to this often confusing area of law. As well as providing a clear yet comprehensive exposition of the law, the text provides a commentary on the background and possible difficulties of interpretation of the rules of succession. Examples and illustrations are provided where

appropriate and succession is placed in its broader context of property law, family law, and trusts. This new edition takes into account the new Family Law (Scotland) Bill 2005 and Civil Partnership Act with the addition of new cases and updates to statutory entitlements.
