**Vincent W Davis : The Secret: How to Fight Child Protective Services and Win** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Secret: How to Fight Child Protective Services and Win:

Every year thousands of children are removed from their homes by social workers. While many of the removals are justified because the children are in danger, many are not justified. If a teacher, doctor or neighbor suspects you may have abused your child and reports you, the social worker will show up at your home or your child's school and take your child. You will go through untold misery, fear and expense to get your child back. In short, you will be guilty until proven innocent. This handbook will help you understand what you must do to get your child back.
