**Gordon Bowley : The Self-Help Guide to Making a Will** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Self-Help Guide to Making a Will:

This plain-English guide to making your own will draws on the author's 30 years of experience as a family solicitor to suggest the best and most effective ways to have your last say, and includes specimen forms, wills and clauses.

'I've set out some of the things a solicitor would tell you if you could afford to pay for the time it would take.' About the Author Gordon Bowley practised as a family solicitor for over thirty years with particular experience in the area of wills and probate. This is his second book aimed at helping lay-people understand important legal issues. He is also author of *The Self-Help Guide to Managing Death and Probate*, publishing April 2003.
