David R. Greig : The Separation Guide: Know your options, take control, and get your life back (Divorce and Separation Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Separation Guide: Know your options, take control, and get your life back (Divorce and Separation Series):

1 of 1 people found the following review helpful. Informative, practical, and helpful!By DarleneAlthough this book is

written by a Canadian family law lawyer, I find it refreshing that he urges people dealing with a marital break-up to try to resolve their issues without going to a trial. Litigation, as we know, is very costly and both parties have a much better likelihood of reaching a mutually-agreeable settlement if they are in control of the outcome. Grieg sets out the matters that separating and divorcing spouses need to discuss. If they can do so in an amicable manner, they can save time and costs by doing the legwork themselves and obtaining independent legal advice on the final agreement before it is signed. For those that have separated and are looking for some advice and direction on how to begin the process of formulating a Separation Agreement, I would recommend this book. I found it informative, practical, and helpful.

The companion to Separation Agreement (forms kit) readers have been asking for! The Separation Guide is filled with practical steps for dealing with assets, finances, legal processes, and post-separation life planning when in the midst of separation. While mainly speaking from his experience as a family law lawyer for separating and divorcing couples, author David Greig offers advice that can be applicable to all types of long-term unions, including common-law and same-sex couples. The Separation Guide provides guidance on: Understanding the legal case Negotiating with confidence The benefits of a formal separation agreement Managing the division of finances, assets, and liabilities, including such complicated factors as pensions and possession When to get legal assistance This comprehensive book includes chapters on all types of separation issues, so that you can rest assured that you are well informed in the midst of the separation process. It will help you to understand your situation and options, take control, and get your life back on track.

About the Author David R. Greig earned his Bachelor of Arts degree in 1983 and his Bachelor of Laws degree in 1986, both from the University of Victoria. He is currently practising law in Vancouver, British Columbia, and has a special interest in matrimonial and family law. He is also the author of another Self-Counsel Press title, Separation Agreement.
