Samuel D., Jr. Hodge, Jack E. Hubbard Ph.D : The Spine for Lawyers: ABA Medical-Legal Guides before purchasing it in order to gage whether or not it would be worth my time, and all praised The Spine for Lawyers: ABA Medical-Legal Guides:

Injuries involving the spine are the most common compensation claims in the United States. ABA Medical-Legal Guides: The Spine for Lawyers is designed to help practitioners, judges and insurance professionals understand the multifaceted medical and legal issues in a claim involving this part of the human anatomy. Containing more than 200 illustrations and photos, The Spine is an indispensable guide to understanding the medical issues facing your clients.

About the Author Samuel D. Hodge, Jr., Esquire, a skilled litigator, is chair of the department of legal studies at Temple University. Professor Hodge teaches both law and anatomy and lectures nationally on anatomy and trauma. Jack E. Hubbard, PhD, MD, is an adjunct professor of Neurology at the University of Minnesota School of Medicine. Dr. Hubbard is in private practice with the Minneapolis Clinic of Neurology and is board certified in both neurology and pain medicine.
