Miles Mason Sr. : The Tennessee Divorce Client's Handbook: What Every Divorcing Spouse Needs to Know before purchasing it in order to gage whether or not it would be worth my time, and all praised The Tennessee Divorce Client's Handbook: What Every Divorcing Spouse Needs to Know:

1 of 1 people found the following review helpful. Tennessee Divorce Book Has Good Advice for EverywhereBy Z. C.

MercerMiles Mason's book is a great primer for divorcing persons and for anyone who has not yet started but is contemplating divorce. As a divorce attorney, his basic advice is "think seriously before you enter into this process." Divorce is a nasty and potentially expensive process.Miles' book can't prevent either the potential nastiness or the expense of divorce. But it can inform you of the process before you begin it or while you are in it. And while the title talks about Tennessee divorce, much, if not most, of the information will relate to your potential divorce, no matter where you live. You'll just have to find a good lawyer where you are. This book tells you how to find him or her, as well as providing suggestions for how to work with your lawyer, once selected.1 of 1 people found the following review helpful. Essential roadmapBy Bruce ThompsonKnowing where you want to go is important. However, trying to get there without an easy to read and understand roadmap can be very frustrating. This book provides such a roadmap. It enables you to be prepared for the process and to navigate it with as little frustration as possible. It is a tremendous supplement (but not a substitute) to having a great lawyer represent you.0 of 0 people found the following review helpful. MehBy weGood overview. TONS of typos and oversights... More of just a marketing ploy than an actual self help book okay.

Divorce can be intimidating, but you don't have to go through it alone. Miles Mason, Sr. set out to create the ultimate handbook to help a spouse through the divorce process. To that end, this book addresses a variety of topics that the compassionate professionals of the Miles Mason Family Law Group know best, including advice needed to get the learning process started, hiring your divorce team, custody and parenting plans, and how courts view dating during separation. The book is easy to read, and will be a valuable tool as you find your way through the divorce process. Miles Mason, Sr. received a degree in Accounting from the University of Alabama in Tuscaloosa. After law school, he led the family law practice at Crone Mason for fifteen years. When Mason formed the Miles Mason Family Law Group, he decided at the outset that the best way for clients to benefit from his talented staff was a team approach-so that the expertise and experience of each team member was readily available. You can find additional information, as well as updates to this book, at MemphisDivorce.com and its Tennessee Family Law Blog. You don't have to go it alone
