By Judith Briles
Let's face it--divorce is never fun. Stress roars, emotions gyrate and lots gets done/said that you wish you hadn't/didn't do. Carol Ann Wilson's Ultimate Guide is a terrific tool as a resource for when you are facing one... or in the middle of one. I like the fact that there are plenty of nuts and bolts...real life stories that can be related to ... some deep down details of strategies for both husbands and wives. Love the Baker Dozens lists scattered throughout ... highly recommended.
Judith Briles, author of The Confidence Factor

Must read for divorcing spouses
By Joanie Brubaker
Very good book. Her book is clear and easy to understand. I recommend my clients read it early in the process!

Going through a divorce? Afraid of being left with nothing? Take matters into your own hands with this powerful new book about divorce settlements by Carol Ann Wilson, a well-known and experienced specialist in marital financial issues. Wilson's insightful commentary and helpful hints are just what you need to boost your confidence and leave your marriage as a winner. This excellent reference guide not only addresses the major complex financial issues surrounding divorce, it also provides you with a complete overview of divorce procedures. Several case studies illustrate the main keys of this book, and allow an insight in different perspectives: from husband, wife, and financial planner. You'll gain intimate knowledge about: - The legal process and getting legal advice from divorce lawyers - Dividing property such as your house and your retirement plans - How to find hidden assets - The rules for paying and receiving alimony - Child support issues - Money and divorce financial issues, including debt, credit and bankruptcy - Building your divorce survival team - Sample divorce forms - and much more! Going through a divorce means difficult times for everyone involved. Discover how you can make your life easier and survive; your marriage without painful economic losses, using this new book as your ultimate guide. In no time, you will be aware of common pitfalls and able to develop effective strategies for the most advantageous divorce settlement. Don't become another divorce statistic!

Carol Ann has included all of the basic information about divorce and compressed it into an easy to read, entertaining and informative book. I will be recommending this book to my clients! --Gregg A. Greenstein, Colorado Divorce Attorney
If you are contemplating filing for a divorce read this book, you may change your mind. If you are in the midst of a divorce this book is like a life-line to a drowning victim. --Judge Marshall P. Young
In my counseling practice I have regularly used Carol Ann Wilson's previous books, considered to be the leading text on the subject of divorce. But the current book, The Ultimate Guide to Surviving Your Divorce, surpasses them all in terms of quality, depth and treatment of the subject matter, and continues to demonstrate her innate ability to explain complicated issues in simple terms to people experiencing divorce-related trauma. I should add that this book, comprehensive yet lucid, answers key questions like, What can it do and not do for me, and When should I read it? --Sid Mitra, Ph. D., Certified Financial Planner, Emeritus Professor of Finance
About the Author
Carol Ann Wilson, Certified Financial Divorce Specialist (CFDS), is widely recognized as the foremost expert on marital financial issues and the leader in the field of divorce financial planning.
