**Douglas Godbe : The Weekend Estate Planning Kit: The Fast and Simple Way to Maximize Assets, Minimize Taxes and Protect Loved Ones** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Weekend Estate Planning Kit: The Fast and Simple Way to Maximize Assets, Minimize Taxes and Protect Loved Ones:

This book provides all the information necessary to estate planning, including inter vivos trusts, wills, guardian assignments, powers of attorney, and more. Blank forms are included on the accompanying CD-ROM disc, and the book itself contains sample, filled-in forms to guide the reader in preparing his or her own estate planning documents.

From the Back Cover Protect Your Estate Now! Everyone needs a will or a trust, yet more than half of the adults in the United States have neither. While it can be complicated to create a will or trust, The Weekend Estate Planning Kit simplifies the process and helps you prepare and execute your own will or living trust by providing simple explanations, detailed instructions and all the necessary forms.--Decide between a will and a trust: With thorough, easy-to-understand definitions, you can weigh your options about the best choice for your estate.--Make the estate tax laws work for you: Maximize your estates value by learning what the tax laws say about your estate and how to leave property to your heirs and still decrease or avoid their tax liability.--Evaluate your assets: Determine what assets you have and make sure they are distributed according to your wishes.--Avoid probate: Learn about how different assets are distributed, and what may and may not be distributed through a will.--Prepare your specific needs: State-by-state listings cover every states laws, which makes this book your one-stop guide for easily preparing your will or trust.--Modify forms for your needs: With step-by-step instructions and sample forms, you can easily personalize the documents to create a valid will or trust. Protecting your estate and your loved ones has never been easier.
