Sami Shubber : The WHO International Code of Marketing of Breast-Milk Substitutes: History and Analysis before purchasing it in order to gage whether or not it would be worth my time, and all praised The WHO International Code of Marketing of Breast-Milk Substitutes: History and Analysis:

0 of 0 people found the following review helpful. Five StarsBy CustomerVery comprehensive historical summary of a very important Code still in effect.

A detailed analysis and history of the WHO International Code of Marketing of Breast-milk Substitutes, written by one of the world's foremost authorities on the subject, Dr Sami Shubber. Essential reading for anyone interested in the legal interpretation, the implementation and investigating possible breaches of this essential measure to ensure that women all over the world are given the opportunity to breastfeed their children without the pressure from manufacturers of formula milk.

'A must for all those who require a detailed insight into the Code.' Anees Jiliani, WHO International Digest of Health Legislation 'A fascinating book.' Dr. Halfdan Mahler, former WHO Director-General.
