An ideal choice for those who want everything to be taken care of and those who are generally cautious By Midwest Book Review What's done with you and your possessions after you pass on can be your call. "The Will and Living Will Toolkit: The Ultimate Guide to Preparing Your Will and Living Will" is a guide for those who want to make sure their wishes are carried out when they are unable to do otherwise. Covering almost every aspect of the process, "The Will and Living Will Toolkit" is an ideal choice for those who want everything to be taken

care of and those who are generally cautious.

This book provides a comprehensive source of understandable, professional-level information and forms for preparing the most important estate planning legal forms—a will and living will. The forms and instructions are all written in straight-forward English, yet provide a wealth of hands-on tools for preparing customized versions of these important legal forms. Included in this valuable guide are forms for preparing standard wills, both generic and state-specific living wills, advance health care directives and many more.
