Bryan A. Garner : The Winning Brief: 100 Tips for Persuasive Briefing in Trial and Appellate Courts before purchasing it in order to gage whether or not it would be worth my time, and all praised The Winning Brief: 100 Tips for Persuasive Briefing in Trial and Appellate Courts:

0 of 0 people found the following review helpful. Glad I Got ItBy DobberI have found this book very informative useful.1 of 1 people found the following review helpful. Good book for any-age attorney looking to sharpen their legal writing.By LawNerd15This book has some great examples of formatting and common logic structure. It borrows, however, almost entirely from the Solicitor General's formatting and style guide. Four stars because of the writer's pretentiousness.2 of 2 people found the following review helpful. If you have any troubles with writing, this is ...By

James Maguire If you have any troubles with writing, this is the book for you. Alternatively, if you want to polish your already decent writing this is a must have.

Good legal writing wins court cases. In its first edition, *The Winning Brief* proved that the key to writing well is understanding the judicial readership. Now, in a revised and updated version of this modern classic, Bryan A. Garner explains the art of effective writing in 100 concise, practical, and easy-to-use sections. Covering everything from the rules for planning and organizing a brief to openers that can capture a judge's attention from the first few words, these tips add up to the most compelling, orderly, and visually appealing brief that an advocate can present. In Garner's view, good writing is good thinking put to paper. "Never write a sentence that you couldn't easily speak," he warns—and demonstrates how to do just that. Beginning each tip with a set of quotable quotes from experts, he then gives masterly advice on building sound paragraphs, drafting crisp sentences, choosing the best words ("Strike pursuant to from your vocabulary."), quoting authority, citing sources, and designing a document that looks as impressive as it reads. Throughout, he shows how to edit for maximal impact, using vivid before-and-after examples that apply the basics of rhetoric to persuasive writing. Filled with examples of good and bad writing from actual briefs filed in courts of all types, *The Winning Brief* also covers the new appellate rules for preparing federal briefs. Constantly collecting material from his seminars and polling judges for their preferences, the second edition delivers the same solid guidelines with even more supporting evidence. Including for the first time sections on the ever-changing rules of acceptable legal writing, Garner's new edition keeps even the most seasoned lawyers on their toes and writing briefs that win cases. An invaluable resource for attorneys, law clerks, judges, paralegals, law students and their teachers, *The Winning Brief* has the qualities that make all of Garner's books so popular: authority, accessibility, and page after page of techniques that work. If you're writing to win a case, this book shouldn't merely be on your shelf—it should be open on your desk.

"A thoroughly valuable and original reference for lawyers who want to win. It deserves a spot on every litigator's bookshelf."--*The Federal Lawyer*"All judges should attach a copy of *The Winning Brief* to each briefing schedule they order from the bench.... A valuable addition to any library with legal writing resources."--*Legal Information ALERT*"A book on 'writing' should be fun to read. In his book, Garner makes his teaching fun with the use of examples and quotations.... The more time you spend with this book, the more persuasive your arguments could be, whether in support of a motion in limine or in support of habeas corpus."--*The Colorado Lawyer*"The profession badly needs an accessible primer for advice on and solutions to the most common problems. Bryan Garner's *The Winning Brief: 100 Tips for Persuasive Briefing in Trial and Appellate Courts* is just such text. All lawyers who rely upon written argument in their practices should have a copy of the book close at hand."--*New York Law Journal*

About the Author A best-selling legal author with more than a dozen titles to his credit, Bryan Garner is also the editor-in-chief of *Black's Law Dictionary* in all of its current editions. He has taught at numerous law schools, and is the president of *LawProse, Inc.*, a Dallas-based company that provides writing and drafting seminars to lawyers and judges throughout the United States.
