**Alan Read : Theatre and Law** before purchasing it in order to gage whether or not it would be worth my time, and all praised Theatre and Law:

Theatre Law offers the first comprehensive account of the complex relations between legal process and performances. Through ten major principles of performance within law, it establishes how law itself is a performative mode of practice and reflects upon the co-dependence of law, performance and politics in celebrated works of theatre.

About the Author Alan Read is Professor of Theatre at Kings College London, UK. He was the founding consultant editor of the journal Performance Research and is the author of Theatre Everyday Life: An Ethics of Performance and Theatre, Intimacy Engagement: The Last Human Venue, amongst numerous other publications.
