Although the couple was finally able to marry, when Spyer died the federal government refused to recognize their marriage, forcing Windsor to pay a huge estate tax bill. In this gripping, definitive account of one of our nations most significant civil rights victories named a Ms. Magazine Top 10 Feminist Book of 2015 and a National Law Journal Top 10 Supreme Court Aficionado Book of 2015 Kaplan describes meeting Windsor and their journey together to defeat DOMA. She shares the behind-the-scenes highs and lows, the excitement and the worries, and provides intriguing insights into her historic argument before the Supreme Court. A critical and previously untold part of the narrative is Kaplans own personal story, including her struggle for self-acceptance in order to create a loving family of her own.
