Tim Bond, Amanpreet Sandhu : Therapists in Court: Providing Evidence and Supporting Witnesses (Legal Resources Counsellors Psychotherapists) before purchasing it in order to gage whether or not it would be worth my time, and all praised Therapists in Court: Providing Evidence and Supporting Witnesses (Legal Resources Counsellors Psychotherapists):

Therapists in Court is the first in a series of handbooks providing legal guidance for practitioners from all the talking therapies, including counseling, psychotherapy and psychology. It is written for practitioners who come into contact with the legal system through their work. Providing practical guidance backed up with illuminating examples, the

book is an invaluable source of information in situations such as responding to a solicitors letter, supporting a witness in their preparation to appear in court, and being called as a witness.
