what you need to know about managing your family, assets and personal legal and financial matters that no one teaches you in school. If you do not have a regular dialogue with an accountant, lawyer and family councilor, this book will open your eyes to matters you will face prepared properly. Don't be unprepared for what ultimately happens to everyone in life! Very well written (appreciate the large font!) and applicable to anyone who cares deeply about the financial well being of themselves, partner, offspring...and even pets. 0 of 0 people found the following review helpful.
