Lady in Blue : Through My Eyes, The Eyes of a Cop before purchasing it in order to gage whether or not it would be worth my time, and all praised Through My Eyes, The Eyes of a Cop:

I spent 23 years patrolling the streets of some of the toughest, crime infested neighborhoods in the country. Always telling myself, I have seen it all. Yet so often when that next call comes in and we roll up to the scene, I am amazed at

what extent the human race will put his fellow man through. Ride with me as we patrol those mean streets. Discover how they can be so cruel, often compassionate, incredibly funny but always an adventure.
