Storm M. Evans, Storm, M. Evans : Time Matters in One Hour for Lawyers (5110402) before purchasing it in order to gage whether or not it would be worth my time, and all praised Time Matters in One Hour for Lawyers (5110402):

This is a fast-track guide that lets lawyers quickly master the Time Matters software. It includes the basics of adding contracts, notes, and cases, working with the events calendar, and devising a personalized case-management system. Shortcuts and "secret" features make mastering the program even simpler.
