**Price Waterhouse : Tolley's Estate Planning 2000-2001** before purchasing it in order to gage whether or not it would be worth my time, and all praised Tolley's Estate Planning 2000-2001:

This handbook is designed to help accountants and solicitors in practice. It considers all aspects of estate planning, showing how to formulate strategies for the provision, holding and devolution of personal and family resources at the lowest tax cost. There are worked examples and tables of statutes and cases, along with indexing and headings for quick reference.
