**Neal R. Bevans : Tort Law for Paralegals, Fourth Edition (Aspen College)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Tort Law for Paralegals, Fourth Edition (Aspen College):

3 of 3 people found the following review helpful. Excellent Introduction to Tort LawBy W. CusickGreat introductory paralegal textbook for those who know nothing about the law or more specifically, tort law. Instead of giving many case scenarios for, the book takes you step by step through one scenario and give you the legal outcomes as well as tweaking the scenario to help explain other tort law concepts. This is key since it makes it very easy to understand the minute differences in the legal theories/concepts. Additionally, the editors gives you key major case law briefs, helping you understand how the legal theories came about. All in all one of the better paralegal books out there.0 of 0

By Alice A  
Excellent resource for me as a legal nurse consultant - taking one case and following it through various stages of litigation is very helpful. I also enjoy the writing style and have recommended this book to others.

Here is broad coverage of all the key topics in tort law that paralegals need to know, written in an engaging style with plenty of examples and illustrations. With an understanding of how law firms function in the real world, students develop practical skills--assessing cases for settlement value, investigating claims, billing hours, evaluating insurance policies, and more. One hypothetical case runs through Tort Law for Paralegals, providing a coherent framework for illustrating a multitude of topics. Forms and court documents relevant to this case are included in the appendix. A well-developed pedagogy features chapter objectives; "Issue at a Glance" boxes that summarize important legal concepts; marginal definitions; a wealth of figures, tables, and diagrams; Key Terms, Review Questions, and "Applying What You Have Learned" exercises; case excerpts; and features that prepare students for their jobs such as "Skills You Need in the Real World", "Life of a Paralegal", and a list of Web sites for gathering more information. Ethical issues are highlighted, with a separate section on ethics at the end of each chapter. The Fourth Edition, thoroughly updated with changes in the law, presents new Tech Topics in each chapter that highlight new technological applications in tort law. Additional case excerpts have been added to the end of each chapter as well as crossword puzzles for review. Features: broad coverage of all key topics in tort law relevant to paralegals emphasis on practical skills how law firms function assessing cases for settlement value investigating claims billing hours evaluating insurance and more one hypothetical case runs throughout the text provides continuity to the material coherent framework for illustrating various points forms and court documents related to this case in the appendix well-developed pedagogy chapter objectives open each chapter "Issue at a Glance" summarizes important legal concepts marginal definitions numerous figures, tables, diagrams, examples and illustrations case excerpts that discuss legal theory and practical applications "Skills You Need in the Real World" "Life of a Paralegal" Web sites for gathering more information Key Terms, Review Questions, and "Applying What You Have Learned" exercises ethical issues highlighted, with separate section on ethics at the end of each chapter Thoroughly updated, the revised Fourth Edition presents: ; new Tech Topics in every chapter highlighting new technological applications in tort law additional case excerpts at the end of each chapter crossword puzzles for review all relevant changes in the law
