Cathy Okrent : Torts and Personal Injury Law, Loose-Leaf Version before purchasing it in order to gage whether or not it would be worth my time, and all praised Torts and Personal Injury Law, Loose-Leaf Version:

Master the tort law principles you'll need to assist in personal injury matters as a paralegal! Taking a case approach, this accessible overview of tort law includes more than 75 annotated cases that illustrate hot button issues and give you an opportunity to apply chapter concepts to the types of cases you will encounter on the job. Hypothetical scenarios in every chapter demonstrate how abstract tort law pertains to real life accidents and injuries. Built-in learning aids include problems, projects, a running glossary of key legal terms, outlines, chapter summaries, and review questions to help you learn the material. Each chapter starts with a vignette titled "The Biggest Mistakes Paralegals Make and How to Avoid Them" illustrating a dilemma, an ethical lapse, or another unfortunate experience that actually happened.
