**William P. Statsky : Torts: Personal Injury Litigation** before purchasing it in order to gage whether or not it would be worth my time, and all praised Torts: Personal Injury Litigation:

0 of 0 people found the following review helpful. Great resource for incoming law studentsBy Mark H.As an incoming first-year law student, I wanted to get a rough idea of what to expect in my classes. I bought this book to get a brief understanding of what torts are, how lawyers are meant to analyze them, and what to expect in my first-year Torts class. I think this book helped very much on all counts, although it was a little shorter than I expected. I would definitely recommend it to other 0Ls who don't have any lawyers in their family and lack the basic legal vocabulary that a lot of law students seem to already have.0 of 0 people found the following review helpful. The is the worst on-line book I have orderedBy CustomerThe is the worst on-line book I have ordered. I don't think it is set up for windows 10. Knocks me off the internet about every 30 minutes. Will not order again.0 of 0 people found the following review helpful. Five StarsBy Ms ChildsInformational, examples and case studies are on point with the outlined chapters and examples

TORTS: PERSONAL INJURY LITIGATION, 5th EDITION, is a comprehensive guide to the law of torts. This fifth edition extends the discussion of paralegal roles within tort litigation and examines the ethics of attorney solicitation. A comprehensive checklist, which includes definitions, defenses, relationships, paralegal roles and research references, is provided for each tort presented. This checklist provides readers with an overview of information and serves as an on-the-job refresher. Over forty pertinent case studies are included, allowing readers to examine important court opinions. Among the controversial issues discussed in these court opinions are AIDS, the Oklahoma bombing, computer torts, assistance to the homeless, billion dollar verdicts and settlements, biomedical research and the alleged tort committed by President Clinton that became part of his historic impeachment and Senate trial.

About the Author William Statsky is a member of both the ethics committee and the advisory council for the National Federation of Paralegal Associations, as well as an instructor of online courses at Thomas Edison State College in Trenton, New Jersey. He is the author of numerous groundbreaking legal textbooks for paralegals and was a member of the transition team for then President-Elect Ronald Reagan. Mr. Statsky holds a master of law degree (LL.M) in urban affairs, as well as a juris doctorate degree (J.D.).
