From American Bar Association : Toxic Tort Litigation before purchasing it in order to gage whether or not it would be worth my time, and all praised Toxic Tort Litigation:

Trying a toxic tort case is unlike other high-stakes litigation. This guide explores the legal elements that distinguish toxic tort litigation, explaining theories of liability and damages as well as procedural and substantive defenses. Chapters cover scientific and medical evidence, causation, trial management and strategy, settlement, and specialized

litigation, including mold, lead, asbestos, silica, food products, pharmaceuticals, and MTBE.
