Mark Janis : Trademark and Unfair Competition in a Nutshell (Nutshells) before purchasing it in order to gage whether or not it would be worth my time, and all praised Trademark and Unfair Competition in a Nutshell (Nutshells):

1 of 1 people found the following review helpful. This book was my main resource when studying for my ...By A This book was my main resource when studying for my trademark final and taught me everything I needed to know. I still

use it very often as a quick reference or to brush up on areas of the law I am not as familiar with. 1 of 2 people found the following review helpful. so helpful By FloridaLitiGator this was really helpful during a take home final for a quick reference..very easy to read and skim when looking for something quick or to just double check you're right

This text provides a comprehensive treatment of trademark, unfair competition, and related areas, with international and Internet issues integrated throughout.
