David S. Fleming, John T. Gabrielides : Trademark Litigation Practice before purchasing it in order to gage whether or not it would be worth my time, and all praised Trademark Litigation Practice:

The decisions handed down in trademark cases can have diverse and far-reaching commercial and social impact. For trial lawyers facing the challenge of litigating Lanham Act cases, extensive knowledge of the complexities of both litigation procedure and trademark law is key. And few one-volume desk references provide the detailed procedural and substantive analysis of trademark litigation that is offered in BNA Books Trademark Litigation Practice.
