**Michael Collins, George Rutherglen : Transnational Civil Litigation (American Casebook Series)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Transnational Civil Litigation (American Casebook Series):

0 of 0 people found the following review helpful. but everything else was fine. By CustomerA bit of wrinkle on the book cover, but everything else was fine. 0 of 0 people found the following review helpful. Five Stars By JMPclean

This casebook addresses the global dimension of civil procedure. The authors provide a unique comparative perspective on international litigation. The book is accessible to Civil Procedure teachers who wish to teach this course. Topics include personal jurisdiction; cross-border service of process; subject matter jurisdiction; taking of evidence abroad; problems of choice of forum, choice of law, and parallel proceedings; recognition and enforcement

of foreign judgments; international arbitration; and foreign sovereign immunities.
