Value Bar Prep books : Trusts Law A - Z For Law Students before purchasing it in order to gage whether or not it would be worth my time, and all praised Trusts Law A - Z For Law Students:

All The Author's Essays Selected For Publishing After The Bar Exam. The Book Is For EXAM Prep. - - Trusts are often tested on the bar exam. They can be tested purely as trusts or as a substitute for a will. In the former case you

define trusts, types, scope, a trustees powers and duties, then address the interrogatory, which will often be about a breach by trustees or a trustee. If Trusts are tested as a will substitute then treat the trust as if it were a will and talk about pretermitted heirs and spouses, intestacy shares and other relevant Wills issues. But do not treat Wills-only formalities like witnesses because a trust does not need witnesses to be created. Although Trusts are a huge equity subject, only the basics tend to be tested, so this area of the law should be one of those where you earn a good score.
