Haliburton Fales II : Trying Cases: A Life in the Law before purchasing it in order to gauge whether or not it would be worth my time, and all praised Trying Cases: A Life in the Law:

Haliburton Fales 2d, former President of the New York State Bar Association and senior partner in the law firm White Case, has been centrally, until recently, involved during his professional life of the past half century in the on-going

changes that have swept through American Law. These changes, no less profound than parallel and similar changes in American society at large, are described in this engaging account of the joys of trying cases. Fales takes the reader behind closed doors at the firm, into judges' chambers, and to government and industry-sponsored roundtables of the 1980's and 90's. From this, a larger story emerges, namely that of the development of corporate law as seen by an American trial lawyer, an evolution from an enterprise primarily local into one that is immensely powerful, broadly diversified, and increasingly global.

Unfortunately, the disjointed narrative, clotted with legalese and recitations of scores of his assignments, makes the reader labor to spot the interesting passages. -- The Wall Street Journal, Ann Davis
