**wang ming : Twenty-one Hot Issues about New Marriage Law (Chinese Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Twenty-one Hot Issues about New Marriage Law (Chinese Edition):

This book answers twenty-one hot issues about New Marriage Law, such as which situations refer to void marriage? How illegitimate children confirm the parenthood with their parents naturals? The house bought by parents after marriage, who will own the house if they get a divorce? Can a gork divorce? If a couple sign the divorce agreement

but they dont divorce, will the agreement come into force?
