Arthur R. Pinto, Douglas M. Branson : Understanding Corporate Law before purchasing it in order to gage whether or not it would be worth my time, and all praised Understanding Corporate Law:

1 of 1 people found the following review helpful. Five StarsBy CoralEasy to read and breaks it down.0 of 0 people found the following review helpful. Great book, the author wears a bow tieBy AlexThis book is a clear, concise, and well organized synthesis of corporate law. It's especially helpful since the author is my corporate law professor. The only hornbook that might come close to this one is "business organizations" by Freer, which is good, but I think this one is still better.If you ever get bored while reading about shareholder democracy, imagine the author, an older Caucasian gentleman who wears a tuxedo and a bow tie every day :)0 of 0 people found the following review helpful. Very useful. The explanations are very easy to follow and ...By Benny DaviVery useful. The explanations are very easy to follow and this helped me a lot during the semester. Would definitely recommend it for anyone taking Corporations.

Understanding Corporate Law, Fourth Edition, is designed to assist students by offering a clear and comprehensive treatment of key concepts in corporate law. It is a popular study guide for students and has been used by professors to supplement their casebook or as recommended reading. Significant business, economic, and policy issues are highlighted in connection with a thorough analysis of the important cases and statutory provisions used in the study of corporations. It includes the major theoretical approaches used in current corporate law literature. In each chapter, the

authors identify important policies and discuss the relationship of the law as it has developed to those policies. Statutory issues are addressed under both the General Corporation Law of the State of Delaware and the Revised Model Business Corporation Act. In addition, significant sections from the Principles of Corporate Governance of the American Law Institute are covered. The corporate scandals of 2001 and 2002, the enactment of the federal Sarbanes-Oxley (2002), Dodd-Frank(2010), and JOBS (2012) Acts, and the financial crisis of 2008 are also covered. Chapter 11 now incorporates significant new material on limited liability companies (LLCs).
