Karen Davies : Understanding European Union Law before purchasing it in order to gage whether or not it would be worth my time, and all praised Understanding European Union Law:

Understanding European Union Law is both an ideal introduction for students new to EU law and an essential addition to revision for the more accomplished. It is also indispensable reading for students on business studies courses. Fully revised and updated, this sixth edition continues to look at the main themes of EU law in a straightforward and logical

manner. Updated to discuss the UK's increasingly difficult relationship with the EU and recent developments in EU citizenship rights such as the Zambrano decision, this book provides the reader with a clear understanding of EU law, concentrating on how and why the law has developed as it has. A chapter on assessment guidance has been expanded to provide advice on revision, coursework and examinations on the subject of EU law. This student-friendly text is broad in scope and highly accessible, inspiring students toward further study and showing that understanding EU law can be an enjoyable and rewarding experience.

About the Author Karen Davies, LLB, LLM, Cert Ed, Fellow of the Higher Education Academy, is Programme Director for the Graduate Diploma in Law (GDL/CPE) and lectures on a number of undergraduate and postgraduate courses at Swansea University.
