Monroe H. Freedman, Abbe Smith : Understanding Lawyers' Ethics, Fifth Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Understanding Lawyers' Ethics, Fifth Edition:

This Understanding treatise analyzes the fundamental issues of lawyers' ethics and the ABA's Model Rules. It is designed to facilitate a real understanding of legal rules as distinguished from a superficial familiarity with them by challenging the reader to test their understanding of the legal rules against the reader's own moral standards and

reasoned judgment. The fifth edition includes new chapters on Lawyers' Ethics in a Time of Crisis and Counseling Clients, Coaching Witnesses, and Cross-Examining to Discredit the Truth, and substantial updates on Judicial Ethics and more.

About the Author Monroe H. Freedman is Professor of Law at Hofstra University School of Law. Abbe Smith is Professor of Law and Associate Director of the Criminal Justice Clinic and E. Barrett Prettyman Fellowship Program at Georgetown University Law Center.
