purchasing it in order to gauge whether or not it would be worth my time, and all praised *Understanding Legal Trends in the Life Sciences Industry: Leading Lawyers on Complying with Regulatory Changes and Keeping Abreast of Supreme Court Decisions (Inside the Minds)*:

Understanding Legal Trends in the Life Sciences Industry provides an authoritative, insider's perspective on assisting clients with navigating domestic and international regulatory changes. Featuring experienced partners from law firms across the nation, these experts discuss various issues impacting the life sciences industry, such as transparency, technological advances, marketing regulations, and safety practices. These top lawyers offer specific advice on building portfolios to withstand competition, implementing strong security practices to protect information, and helping clients overcome enforcement challenges. From understanding the *Mayo Collaborative Services v. Prometheus Labs, Inc.* decision on patentability to updating clients about ongoing compliance issues, these experts discuss the impact of Supreme Court cases on the industry and help develop risk programs to prevent future problems. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today, as these experienced lawyers offer up their thoughts on the keys to success within this ever-changing field. *Inside the Minds* provides readers with proven business and legal intelligence from leading C-Level executives and lawyers. Each chapter offers thought leadership and expert analysis on an industry, profession, or topic, providing a future-oriented perspective and proven strategies for success. Each author has been selected based on their experience and C-Level standing within the business and legal communities. Chapters Include: 1. Lisa A. Haile, JD, PhD, Partner, DLA Piper LLP - "Developments and Recent Court Decisions Impacting Life Sciences Companies" 2. Stephen D. Brody, Partner, O'Melveny Myers LLP - "Navigating the Challenges Posed by the Current Enforcement Environment Facing Life Sciences Companies" 3. Paul DeStefano, Partner, McDermott Will Emery - "Key Legal Issues and Challenges Facing the Life Sciences Industry" 4. Robyn S. Shapiro, Partner, Drinker Biddle Reath LLP - "Compliance Within the Life Sciences Industry: Meeting the Challenges of the Changing Domestic and Global Landscape" 5. Jonathan E. Singer, Principal, Fish Richardson PC - "Life Sciences IP: Current Concerns and Challenges" 6. David L. Rosen, BS Pharm., Partner, Foley Lardner LLP - "Drug and Medical Device Manufacturers Still Need Continuous Attention to Quality"
