H. Court Young : Understanding Water Rights and Conflicts before purchasing it in order to gage whether or not it would be worth my time, and all praised Understanding Water Rights and Conflicts:

This book will help you understand the reasons that water supply and availability are so critical to our quality of life and why that quality of life may be threatened in the coming years.

"...the concept of the book is one I think could help to solve problems in many states." -- Carol Blakney, Editor, Biomuncie.org, Environmental web site"Especially useful for the layperson and general practitioner lawyer." -- Thomas J. Young Jr. Attorney, Indian Hills Water District"Nice job! Not as exciting as my Pitt adventures, yet wars and murders take place over who gets the water." -- Clive Cussler, Author"The clear organization of the information in your books makes it easy for our students to use." -- Lynnette Anderson, Director, Goodstein Foundation Library, Casper College"The clear organization of the information in your books makes it easy for our students to use." -- Lynnette Anderson, Director, Goodstein Foundation Library, Casper CollegeAbout the AuthorOf the Author, H. Court Young, Carol Lomond, editor of Views, a local newspaper says, "The Lookout Mountain Water District gained more than a new 'qualified' board member in the recent May special district election. Court Young is an author and publisher of books, and educational CD-ROMs. He is a geologist who has specialized in water systems for 25 years and consults

on environmental clean-up projects involving water."
