Fred Mirarchi DO : Understanding Your Living Will: What You Need to Know Before a Medical Emergency before purchasing it in order to gage whether or not it would be worth my time, and all praised Understanding Your Living Will: What You Need to Know Before a Medical Emergency:

0 of 0 people found the following review helpful. easy to understand guide to writing a living will or ...By NY

Momshort, easy to understand guide to writing a living will or health care determination. Highly recommended. 2 of 2 people found the following review helpful. Four Stars By Rick Parsons lots of good background on things to consider when putting together a living will and durable advance medical directive.

Is Your Living Will Compromising Your Safety?

"About 20 percent of the population has a living will. But will it really help, or might it harm?" The New York Times
