2 of 2 people found the following review helpful. Full of errors a total rip off. By J. Martin Ferja Joensen There are errors on about every page. This book is worse than nothing, the paragraph numbers are often incorrect. This book is just a cut and paste from free internet sites + many errors. 0 of 1 people found the following review helpful. Five Stars By Customer I liked all of it

This publication lists all current developments on national legislation, declarations and treaties on maritime jurisdiction that have been adopted since the enactment of the 1982 United Nations Convention on the Law of the Sea. The information is listed by states in alphabetical order and the treaties are included in the chronological order of their adoption.
