USA Investment Visa to Green Card How to Qualify, Apply and Obtain EB-5, E-2, L-1 Visa Complete A to Z Guide As an immigrant myself I have always been fascinated by various types of visas and immigration opportunities that countries like the U.S. and other western nations offer to different foreign nationals. People migrate to other nations for various reasons but looking back I can tell you the top four reasons most people I know migrate to countries like the USA, Great Britain, and other western countries: Education Financial future Safety and security Freedom There are many immigration programs most all western countries offer to other foreign nationals simply because these Western countries want to create more diversity, increase innovation and to bring foreign investment. The U.S. has been the most successful country in the world in terms of education, safety, financial future and freedom for more than a century.
