**Mary A. Mason, Robert Harris : Using Computers in the Law: Law Office Without Walls (American Casebooks)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Using Computers in the Law: Law Office Without Walls (American Casebooks):

0 of 0 people found the following review helpful. great.By Audrey Bartlettdelivery so quickly. awesome and very well. Everything with this product is perfect. my neighbor love it, I will recommend it to my friend.

Broadened scope of her previously popular *Using Computers in the Law*. Additional theme is that computers now provide the law office staff with the ability to efficiently accomplish all office tasks, e.g., research, filing, billing, and communication, in one place. In other words, a law office without walls. The past several years have seen dramatic changes in computer hardware, software, and online searching and communication functionality.
