**Gregory T. Victoroff : Visual Artist's Business and Legal Guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised Visual Artist's Business and Legal Guide:

1 of 2 people found the following review helpful. useful and interesting and a pleasure to read.By Charles Dickens LoverFantastic! Really useful for an artist who wants to protect themselves in business. Greg is both an artist himself (a drummer and magician), and a lawyer so perfect to advise other artists.

From the PublisherThis book provides visual artists with critical business and legal information to help them build successful careers, protect their art from infringement, safeguard their rights and avoid contract pitfalls.
